

Press Release: GWTB Fund Raiser  
August 18, 2008

“The Only Olivia International Fan Club” has always been a strong supporter of Olivia’s projects and charities, and this year has certainly been an important one! “Only Olivia” is proud to announce that it has raised over \$30,780 since April for the Olivia Newton-John Cancer and Wellness Centre in Melbourne. The Fan Club used its web site, print magazine, and group emails to canvas for donations. It also ran 2 auctions for “Great Walk to Beijing” T Shirts autographed by Olivia herself. Specially designed club “Great Walk” T Shirts, which showed that the wearer was “Sponsoring Olivia’s Steps” were sold online, as well as 66 stuffed kittens bearing a heart shaped nametag, which are modeled after the real kitten named “Magic” that Olivia and the Walkers found alone on the roadside in China. Donations to the fund raiser consistently came in from fans all around the world.

This year's amount, added to what the club has raised since 2005, brings the total to over \$42,480.

We look forward with great anticipation to the construction of the Centre, and to the fulfillment of Olivia’s dream for a first class cancer centre in Australia.
